Tired of cookie-cutter hotels that scream average? Yahoo Travel went in search of the coolest, chicest hotels in the trendiest locales in each state. From city to country, we sought out hot spots featuring art, food, culture, adventure, and rejuvenation. We found hip hotels that are walking or biking distance from craft breweries, galleries, and shops. Beyond the cities, we found uncommon luxury on farms and even in the desert. Whatever your destination, these are the hippest hotels.

South Carolina — The Vendue

Art. Old warehouse buildings. Pearlz Oyster Bar around the corner. The Vendue. Need we say more?
